

User Manual

Mandala Scan

Please read the manual before using the tools.

Version 1.0 Updated March 15th, 2025

1. General Notes

1.1 Product Feature and Intend Use

The Mandala Scan is a compact biofeedback device that tracks stress levels and energy balance using Heart Rate Variability (HRV) analysis. It helps identify emotional and energetic imbalances, providing real-time insights for optimal well-being.

Pair it with the Mandala Scan app, which offers personalized frequency recommendations and coherence tracking. When integrated with SoulSync iOS Application, it delivers affirmations and subliminal programming to enhance emotional resilience and mental clarity.

Your Mandala Scan has been quality-tested and is ready to support your wellness journey anytime, anywhere.

1.2 Safety Warnings

- Check all accessories upon unboxing.

- Read and follow all safety instructions in the manual.

1.3 Warranty

- Your Mandala Scan includes a one-year warranty from the date of delivery.

- If you experience any issues, contact customer support immediately.

- The warranty does not cover damage due to:
 - Misuse or neglect

- Unauthorized modifications or disassembly

- Customs/import fees or indirect damage

- If repairs are needed due to misuse, all costs (including shipping) will be the user's responsibility.

1.4 Important Precautions

- Do not use the device if it appears damaged. Contact the support.
- Ensure the correct voltage for your country before use.
- Charge for at least one and half hours before the first use.
- Do not disassemble or modify the device.
- Keep dry avoid rain, high humidity, heat, and dust.

1.5 Maintenance

- 1. If unused for a while, charge the device for two hours before use.
- 2. Use soft cloth or water-based glass cleaner for maintenance.
- 3. Keep the device clean to ensure proper performance.

1.6 Product Includes

- 1. Mandala Scan
- 2. USB Type-C cable
- 3. Ear Clip Sensor
- 4. Mandala Bag

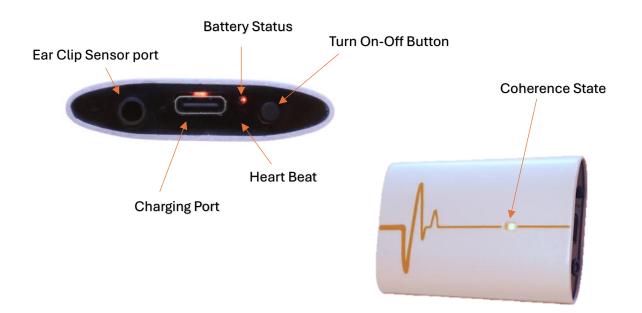

2. Technical Data
